

Parent 4 Pupil A.G.M and new year meeting.

Please come and join us for coffee & cake at our Annual General Meeting on

Monday 9th September 2024 – 3.40 in the school meeting room.

Your children are welcome to join us, where activities and refreshments will be provided.

Our aim is to raise money for our school, which therefore benefits the children, parents and carers.

We provide donations for school trips, prizes for competitions, Year 6 leavers hoodies & goodie bags at their leavers disco, sports equipment, buying all the children an Easter Egg, helping existing projects such as O.P.A.L, plus many other things.

We help our school by holding our Summer Fayre, running discos and tuck shops, however we want to do more.....

We want to help Annesley with the enrichment of your children by providing different opportunities.

We are looking for new members to build upon what we have already achieve.

The commitment from you is as and when you are able. It may be doing some cutting out for a Mother's Day craft event, baking some cakes or bagging sweets for our discos and Tuck shops.

At every meeting your children are welcome, they could always give us some new ideas!

Pop along and see what we are all about, and how you could possibly help.

If you have any questions, please contact Miss Peacock.

Thank you x
