New staff

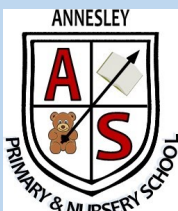

We have recently welcomed 2 new staff members to the team. Mr Bird, site manager, and Ms Barker, administration assistant, have both settled in very well to their roles.

Scooters and Bikes

We welcome children coming to school on bikes and scooters. However, please ensure that your children do not ride them whilst on school premises. Please walk the bike or scooter around to the place where they are stored. We have racks available in the car park area to help. We have had a few close calls where children and adults have nearly been bumped into and we are worried someone is going to get hurt. Thank you for your support in this.

Football Club

We are pleased to be able to confirm that Mr Fixter, one of our parents, has kindly offered to run an after school football club on Wednesdays from September onwards. The club will start on 13th September and run between 3:30pm and 4:30pm. Further information will come out before the end of the school year.

Last day of school. Break up for summer holi-

PE Kit and School Uniform

We sent you all information recently about PE days in school.

Just as a reminder, from September, we will be returning to the routine of children coming to school every day in their school uniform. Children will need to bring their PE kit in a separate bag and change into their kit for their PE session. Our school PE uniform will consist of a plain white t-shirt, dark shorts and plimsolls or trainers. A plain dark coloured tracksuit will be acceptable in colder weather. The PE kit will not need to be logoed and is easily available in most large supermarkets.

As is usual practice in schools, children will change appropriately according to their age.

Summer Fayre

Friday 7th July 3:30 onwards

Please do come along to our Summer Fayre next Friday. You will be able to meet Bluey from TV, have a bounce on the bouncy castle and enjoy the BBQ. There will be class stalls selling items the children have organised, along with some external stall holders.

Y3, 4 and 5 5:15pm—6:30pm Punk Theme

Nursery / F1

The children enjoyed making dens with daddies at the Father's Day brunch and also investigated light and dark, making shadows to tell stories.

Reception / F2

Here we have our F2 children harvesting the carrots they planted a little while ago.

Year 1

Year 1 enjoyed visiting Yorkshire Wildlife Park and seeing lots of amazing animals at very close range!

Year 2

Here are the Y2 children making compositions on the xylophone in music.

Year 3

Year 3 have been investigating and understanding about muscles and bones in science.

Year 4

In year 4, the children have enjoyed investigating whether we can use natural materials to make our dirty water clean. They are looking forward to moving onto designing and making a filtration system.

Year 5 and 6

Year 5 and 6 had a fantastic time on their residential visit to Hagg Farm in Derbyshire recently. I'm sure they will remember their experience for a long time!

Year 6

Year 6 visited Ashfield Fire Station and learnt about CPR, water safety and other important safety information.
