## Newsletter

December 2022

Dear Parents and Carers,

We have arrived at the end of the autumn term and it has been a very busy and eventful time in school.

The performances from all the children in the Christmas shows were fabulous. They sang beautifully, spoke clearly and loudly and acted out their parts brilliantly. Thank you to you all for coming along to school and giving the children such large audiences. Thank you also to all the staff who helped to bring the performances to the stage and help produce such memorable experiences for the children.

The choir have also been busy over the past week or so. They visited Loxley House Nursing Home and sang some traditional carols and more modern Christmas songs. It's fair to say they went down well with the residents! The choir also visited Mansfield Market Place and managed to sing with smiles on their faces, despite the very cold weather! They also managed to raise an impressive amount in donations from the audience.

I'd also like to say a huge thankyou to you all for your donations during the Key Stage 2 Christmas Markets. An impressive £200 was raised and this money, together with the other donations, will be used to buy musical instruments and playground equipment for the children. Thank you also for your support in ticket sales for the Foundation and Key Stage 1 productions, as the money raised covered the cost of the Christmas party food for the children.

As you know, we received an Ofsted inspection in November. The report has not yet been published, which is why we have not been able to share any information as yet. As soon as the report is published, we will let you all know.

In the last newsletter, I mentioned the developments we were hoping to introduce in terms of communication. Mrs Wraith recently sent you all an email to explain how to download the school website app. If you haven't done so already, please do, as this function will go live in the new year. The benefit is that you will receive notification of new information we send you via an alert on your phone. This is something many of you felt would help communication as we move forwards.

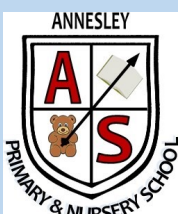

Finally, may I take this opportunity to thank you all for your support over the term, during which it has been an absolute pleasure to be Headteacher of Annesley. Thank you for supporting your children and the school.

Have a wonderful Christmas and New Year and I look forward to seeing you all next year.

We return in the new year on **Wednesday 4th January**.

Best wishes,

Mr Slater
