Welcome back to a new school year! I am really excited and pleased to be writing this newsletter as your new Headteacher. I have been made to feel very welcome by the entire school community and I look forward to getting to know you all and working with you to make your children's time in school the best it can possibly be. I will be at Annesley on Tuesdays and Thursdays initially this term, with the full-time role starting in January.

The children have all made a fabulous start and have made great first impressions on everyone in school.

Uniform

It has been great to see the children looking so smart in their school uniform. In the near future, we will be standardising the PE kit children wear in school. We will be returning to pre Covid kits of plain white t shirts, dark shorts and plain black trainers or plimsolls. More information about this will follow in due course.

Governors

We are looking to appoint parents and members of the community to our Local Governing body. If you are keen to help the school become even better, please get in touch with us via the contact details at the top of the newsletter.

Parking

Please remember to park responsibly and considerately. You must only use the disabled parking area at school drop off and pick up times if you have a disabled (blue) badge. This badge must be clearly displayed. We have asked for support from the local PCSO and Ashfield Camera Partnership to increase the supervision of the area.

We thank you for your continued support.

Best wishes from everyone in school
